# Aspirus Lodging

Aspirus, Inc. genuinely cares about our patients and their families, as well as our employees. Several premium hotels and a Bed & Breakfast located within the Wausau area have graciously offered special rates for lodging to our Aspirus guests. Whether your stay is one evening or an extended period of time, you will find comfort at any one of these fine locations. As you will need an Aspirus Guest Badge to participate, please ask an Aspirus employee for assistance.

We hope you will discover that our compassion for people extends beyond the walls of our facilities where the Aspirus passion for excellence begins.
