

Audience

This program is intended for the following health professionals/providers: Family Medicine and Internal Medicine.

Objectives

- Improve communication with geriatric patients and/or their representatives in a variety of situations including transitioning from one living situation to another, changing from an aggressive to a palliative care mode, and usage of medications.
- Appropriately treat common geriatric conditions including osteoporosis and its related complications, confusion / altered mental status, and medication management.

Statement of Accreditation

This activity has been planned & implemented in accordance with the Accreditation Elements & Policies of the Wisconsin Medical Society through the joint sponsorship of Aspirus Wausau Hospital & UW Health-Wausau Family Medicine. Aspirus Wausau Hospital is accredited by the Wisconsin Medical Society to provide continuing medical education for physicians.

AMA/PRA Designation Statement

Aspirus Wausau Hospital designates this educational activity for a maximum of 6 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.
