Aspirus Langlade Hospital Health and Performance Center Access Waiver*

Health and Performance Center member 24/7 access agreement with attestation of COVID -19 symptoms, exposure and/or diagnosis.

The health and safety of our members and staff of the Health and Performance Center continues to be a priority. Masks will remain mandatory. Required are personal daily screenings before you enter the Health and Performance Center as this remains to be a crucial role in reducing exposures and keeping all members and staff safe.

24/7 access will be granted to members in agreement with attestation guidelines of personal screenings, known exposure to COVID-19 and/or a pending or positive COVID-19 diagnosis (self or household member) before entering the Health and Performance Center.

1. If you experience any of the following COVID-19 symptoms that are new or worsening and not related to an existing condition stay home and follow your local public health guidelines for quarantine.

Cough	Nausea or vomiting	
Fatigue	Shortness of breath	
Fever	Muscleaches	
Sore throat	Loss of taste or smell	
Headache	Congestion or runny nose	

- 2. If you have had known exposure to an individual(s) with COVID-19, stay home and follow your local public health guidelines for quarantine.
- 3. If you or a household member have a pending or positive COVID-19 diagnosis, stay home and follow your local public health guidelines for isolation.

If you have experienced situation 1, 2, or 3 or any combination thereof stay home and contact your health care provider.

I understand and agree to the above guidelines that will allow me to be granted 24/7 access to the Aspirus Langlade Hospital Health and Performance Center.
