

## Enhancing Confidence and Independence

### Promoting Peace of Mind

#### On the Go

**New!**

### GoSafe mobile medical alert

Our mobile system allows subscribers to take the benefits of the Philips Lifeline service where they want, when they want.

#### Two-way voice communication

GoSafe's pendant-style help button provides direct two-way voice communication with Philips Lifeline 24 hours a day, 7 days a week, 365 days a year.

#### Six advanced locating technologies

Our complete mobile system will help locate subscribers in a variety of situations - home or away, indoors and out, providing 24/7 access to help.

#### AutoAlert fall-detection feature

A call for help to our U.S.-based response center will automatically be placed if a fall is detected and subscriber is unable to push the GoSafe help button.

**Select GoSafe Options:** GoSafe (Landline) requires a home phone line \$54/month\*, GoSafe (Wireless) no home phone line required \$64/month\*

\*Plus one-time \$149 device fee

#### Aspirus Lifeline Medical Alert Service:

- Provides peace of mind for you and your family.
- Is there for you when others can't be - 24 hours a day, 365 days a year.
- Is easy to use - help is just a push of a button away.
- Enables those in commercial establishments an immediate contact to emergency professionals.

*Aspirus Lifeline is a program sponsored by Aspirus Volunteers.*

Detection Help  
Button \$38/month

AutoAlert can automatically place a call for help if it detects a fall, even if you can't push your button.

**NO LANDLINE PHONE NEEDED**  
Wireless communicator available. No additional cell phone plan is required.

**What is Lifeline?**

Lifeline is an easy-to-use personal response service that ensures that older adults or those with disabilities get quick assistance whenever it is needed - 24 hours a day, 365 days a year. Lifeline is for anyone concerned about their safety.

**The service is simple to use.**

When you need help, you just press the waterproof Personal Help Button you wear. Within seconds a Lifeline monitor responds, assesses the situation and summons appropriate help, whether it is a neighbor, relative, ambulance or police.

**Who responds when I press my button?**

A caring Lifeline professional, who has instant access to your pertinent health history and personal profile.

**Why do I need Lifeline?**

Life is unpredictable. An unexpected fall, medical, or non-medical emergency could threaten your future health or well-being if help is delayed.

**With Lifeline, help is assured.**

Lifeline is NOT just for medical emergencies. The service allows you to:

- Maintain your peace of mind knowing that help is just a press-of-a-button away.
- Enjoy a stronger sense of well-being and safety.

**How much does the service cost?**

For \$25.00 a month, you get the Lifeline Personal Response Standard Service. You are not required to buy any equipment or make a long-term commitment.

**Try it today!**

People of all ages can benefit from Lifeline, those living alone, the elderly, those with disabilities, heart failure patients, post surgery patients, those working in unsafe areas, and anyone at risk.

**NO CANCELLATION SERVICE FEES**

Enjoy peace of mind knowing that Philips Lifeline is **accessible when you need it and returnable when you don't.**

**HOME INSTALLATION AVAILABLE**

Simple, worry-free installation is available, including in-home range testing in each room, to ensure that subscribers know where they can access Philips Lifeline for help in and around their home.
