

# Aspirus Special System-wide Grand Rounds CME ON DEMAND

## Returning Joy to Patient Care through Lean Transformation – Preventive Medicine for Burnout

**Paul DeChant, MD, MBA**

### Credit Information

#### Statement of Accreditation

Aspirus Wausau Hospital is accredited by the Wisconsin Medical Society to provide continuing medical education for physicians.

#### Credit Designation Statement

Aspirus Wausau Hospital designates this live educational activity for a maximum of 1 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**ANCC/AANP** – The American Nurses Credentialing Center (ANCC) and the American Academy of Nurse Practitioners (AANP) accept *AMA PRA Category 1 Credit*<sup>™</sup> as formally accredited/approved contact hours.

**Date:** Originally Presented October 27, 2017

**Speaker:** Paul DeChant, MD, MBA

### Objectives

1. Provide a brief overview of the causes, manifestations, and implications of physician burnout, including why burnout has gotten worse in the past 10 years
2. Learn a comprehensive approach to improving the clinical workplace to reduce the risk of burnout
3. Identify specific actions physician and non-physician leaders can take to support front line physicians and staff workers

**Bio** – With 30 years' experience as a practicing family physician, Dr. Paul DeChant is a professional consultant, executive coach, experienced physician executive, and expert on physician burnout. Through the Lean Transformation, he has helped several professional medical organizations implement ongoing positive results. He has published *Preventing Physician Burnout: Curing the Chaos and Returning Joy to the Practice of Medicine*.

**Target Audience** – this program is designed for physicians, residents, physician assistants, nurse practitioners, registered nurses, allied health care professionals, medical students, and management; interested health care professionals are strongly encouraged to attend.
