

Aspirus System-wide Grand Rounds CME ON DEMAND

Lyme Disease Update 2018

Adam Clements, DO
Aspirus Wausau Hospital Hospitalist

Amy Prunuske, PhD
Faculty, Medical College of Wisconsin

Statement of Accreditation

Aspirus Wausau Hospital is accredited by the Wisconsin Medical Society to provide continuing medical education for physicians.

Credit Designation Statement

Aspirus Wausau Hospital designates this live educational activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ANCC/AANP – The American Nurses Credentialing Center (ANCC) and the American Academy of Nurse Practitioners (AANP) accept *AMA PRA Category 1 Credit*[™] as formally accredited/approved contact hours

Date: Originally Presented July 12, 2018

Speakers: Adam Clements, DO
Amy Prunuske, PhD

Objectives

1. Briefly discuss epidemiology of Lyme disease
2. Briefly discuss microbiology and life cycle of *Borrelia burgdorferi*
3. Discuss clinical presentation of Lyme disease
4. Differentiate between stages and review complications of Lyme disease
5. Discuss diagnostic testing for Lyme and interpretation of serology
6. Briefly mention other common tickborne infections in Wisconsin

Bios – Dr. Clements attended Michigan State University College of Osteopathic Medicine and came to Aspirus through his Residency at Aspirus Wausau Hospital Family Medicine. He is certified through the American Board of Family Medicine and accredited by the American College of Osteopathic Family Physicians.

Amy Prunuske is an Associate Professor in the Department of Microbiology and Immunology at The Medical College of Wisconsin-Central Wisconsin. Dr. Prunuske is the Faculty Curriculum Program Manager and the Course Director for the Physician in the Community (PIC) Course. As part of PIC, the medical students complete a 2-year scholarly research project with a community mentor. Her research areas are diverse including Lyme disease, educational innovations, and mentoring students from backgrounds underrepresented in medicine.

Target Audience – this program is designed for physicians, residents, physician assistants, nurse practitioners, registered nurses, allied health care professionals, medical students, and management; interested health care professionals are strongly encouraged to attend.
