Date: Originally Presented March 2, 2017

Speaker: Michael McNett, MD

This course has been approved by the Wisconsin Medical Examining Board as meeting the requirements for the two-hour continuing education course on responsible opioid prescribing per Med 13.03(3) of the Wisconsin Administrative Code.

Objectives

1. Describe the problems associated with drug diversion, misuse, addiction, and overdose deaths.
2. Identify the rationale behind each of the Wisconsin MEB opioid prescribing guidelines for the treatment of acute as well as chronic pain.
3. Recognize opioid abuse and intervene to wean patients from opioids both for aberrant behavior and for lack of benefit.

Bio – Michael McNett, MD, Medical Director for Chronic Pain, Aurora Greater Milwaukee South, WI and Physician Faculty, Opioid Prescribing Education Wisconsin Medical Society.

Target Audience – this program is designed for physicians, residents, physician assistants, nurse practitioners, registered nurses, allied health care professionals, medical students, and management; interested health care professionals are strongly encouraged to attend.

Disclosure – In accordance with the Standards of the Wisconsin Medical Society, all those who are in a position to affect content of this CME activity (including activity directors, planning committee, speakers, and CME staff) are required to disclose financial relationships with any commercial interest(s) related to the subject matter of this activity. Such disclosures will be made available on the day of the activity so that participants may formulate their own judgments regarding the presentation.
