The State of Wisconsin Department of Health Services Emergency Orders 12 and 28 speak to Hospital Cafeterias.

Cafeterias and food service in health care facilities may remain open for staff and authorized visitors only, subject to the following restrictions:

- a. Self-service operations of salad bars, beverage stations, and buffets are prohibited.
- b. Customers are prohibited from self-dispensing any unpackaged food or beverage.
- c. Customers and staff shall comply with Social Distancing Requirements, including seating areas and lines.

Based on the above guidance, we ask that local units work with the Nutrition and Food Services leaders to develop local plans to comply with the Emergency orders from 3/24/2020 and 4/16/2020.
