

# Turn retirement savings into **hope for others**.

If you or someone you love is age 70 ½ or older, a gift from an IRA can reduce taxes and transform lives.

Saving for the future takes dedication — now those resources can do even more good. By making a gift directly from your IRA to the Aspirus Health Foundation, you can reduce taxes while helping patients and families across our communities. It's a simple, tax-wise way to **make a lasting impact**.

IRA Qualified Charitable Donation

**70 ½**  
OR OLDER

DIRECT UP TO  
**\$108,000**

## The Benefits of An **IRA Charitable Rollover**:

### LOWER YOUR TAXABLE INCOME

*QCDs are not included in income, so you can transfer up to \$108,000 from an IRA tax-free to Aspirus Health Foundation.*

### MEET YOUR ANNUAL REQUIREMENT

*Apply your gift toward your required minimum distribution (RMD).*

### GIVE WITHOUT LIMITS

*Gifts are not restricted by charitable deduction caps because the gift is never included as income.*

### DO IT EVERY YEAR

*Use an IRA rollover annually to make a difference.*

We'd be happy to share how an IRA gift can benefit you and our patients. Please visit **[aspirus.org/foundation](https://aspirus.org/foundation)** or call **715.847.2470** today.
