

COURSE

SQ Acute: Ergonomics and Safe Lifting, Clinical

STATUS: Not Yet Started EST. TIME: 5m

[Learning Activities](#) [Overview](#)

Walk Safety

On icy or wet conditions keep your balance by:

- Paying attention: Look ahead of you and avoid trip hazards
- Wear proper shoes
- Take small steps
- Point your toes outward
- Turn slowly and slow down
- Keep both hands free and not in your pockets

Latex Sensitivity

Latex allergies can make life hard for some people. In some cases, a latex allergy can be life-threatening.

While latex may not be everywhere, it can be found in some surprising items such as balloons.
