

Lunch & Learn BRA Day Event

Wednesday, October 21st
12:00 pm - 1:00 pm

BRA Day stands for Breast Reconstruction Awareness Day. It is an annual event held every October to educate women about post-mastectomy reconstruction.

This educational and informative Lunch & Learn event will include a complimentary lunch and a presentation by our surgeons on current and emerging breast reconstruction techniques. Attendees will also have the opportunity to participate in interactive question-and-answer sessions following the presentation.

Aspirus Plastic Surgery & Aesthetics and Aspirus Breast Care Specialists
