

Understanding Colon Health

Aspirus Medford Hospital and Clinic invites community members to attend an educational presentation on colon health. Gain practical knowledge and resources to make informed decisions about your health and well-being.

Who Should Attend?

All community members ages 40 and above are encouraged to attend.

Featured presenter Clint Semrau, DO, will provide valuable insights and answer your questions about colon health, signs and symptoms of colon issues and important screening options. Nursing staff will also be present to offer additional guidance.
